

IN-SIGHT™ SAFETY GLASSES

Majestic's protective eyewear provides the safety and comfort you need to get the job done! The In-Sight's lightweight design with flexible rubber temples is engineered to deliver the all-day comfort.

- ◆ Flexible rubber temples for comfort and a secure fit
- ◆ Anti-scratch lens
- ◆ Soft rubber nose piece
- ◆ Hard coated
- ◆ 99.9% UVA/UVB Protection
- ◆ Meets Z87.1+ ANSI
- ◆ Available with premium anti-fog treatment

Anti-scratch lens for continued durability in rougher environments

Flexible rubber temples for a secured fit during movement

99.9% UVA/UVB protection against sunlight exposure

Permanent anti-fog coating with hydrophilic properties

Rubber nose piece for prolonged comfort for hours on end

Wrap-around lens to ensure extended periphery eye protection

Premium Anti-fog+ Treatment

Majestic's Premium EN Anti-fog Certified Treatment is 6-times greater than typical anti-fog treatments and offers superior coating that combats the toughest conditions that lead to fogging.

Hydrophilic Lens Performance

Unlike hydrophobic coatings that repel and spread water, **Majestic's In-Sight™ 85-2107** uses premium hydrophilic coatings that are bonded to the lens. Similar to a microscopic sponge that absorb droplets into its material - the moisture absorbing process works to eliminate fogging almost instantly.
