11 Extra Extra-Large

Description

ATLAS Fit® 300 is a palm-dipped blue colored Natural Rubber glove provides durable protection without sacrificing long-wearing comfort. The cotton/polyester lining provides extremely comfortable fit. The rough textured lightweight Natural Rubber coating provides outstanding grip. An elastic knit-wrist secures the glove above the wrist for comfort and preventing debris from entering the glove. When your job demands abrasion resistance and gripping power while maintaining maximum dexterity choose **ATLAS Fit® 300**. Knuckles are not coated to provide more dexterity and coolness.

Laundry at 40°C (104°F) using a neutral detergent.

Suggested Applications:

- Construction
- Landscaping
- Carpentry
- Floor Tiling
- Maintenance
- Masonry
- Garbage collection
- Highway work
- Roofing
- Shipping and Receiving
