

High-Visibility Mach Finish Nitrile Impact Protective Gloves with Cut, Impact, Abrasion, and Puncture Resistance

DESCRIPTION

These high-visibility yellow/green nylon, Mach Finish nitrile coated palm gloves feature TPU impact protection added to the fingertips and the back of the hand. The unique double-dipped Mach Finish nitrile coating provides a grip comparable to true foam/air-injected nitrile and has more abrasion qualities. It also will not saturate through the coating like foam/air-injected nitrile.

FEATURES

- Light nylon shell provides dexterity and comfort
- Double-dipped Mach Finish nitrile offers excellent grip in wet and oily conditions and prevents liquids from saturating gloves
- Soft, flexible, TPU impact protection over the fingers and metacarpal bones provides tough protection
- Fantastic dexterity, fit and feel
- High-visibility color allows hands to be easily seen
- Knit wrist cuff offers users a secure, comfortable fit and prevents gloves from slipping off during use

ITEM CIA501MF

SIZES 8(M)-11(2XL)
