Country of Origin	South Korea

#### Product Description

Discover the ECODEX Slim-Fit Light Weight General Purpose Gloves. 30% lighter than the ECODEX 300, these gloves provide exceptional dexterity and all-day comfort. Perfect for light assembly work, they feature a 15-gauge nylon and spandex shell for a superior fit and reliable performance.

*\*Disclaimer: TouchFLX™ technology activates touchscreen compatibility through thermal body temperature during extended wear while maintaining carbon neutrality.*

#### Eco-Friendly Coating

- 70% water-based
- No toxic solvents
- DMF, Butadiene, Carcinogen, Odor Free

#### Eco-Friendly Manufacturing Process

- NO industrial wastewater
- NO wash process to remove chemicals

#### Air-Urea Technology Key Differences

- Exceptional cushioning, enhanced ventilation, reduced hand fatigue
- Excellent water resistance & durability
- Feather-like soft feel and comfort

#### PERFORMANCE DATA

ANSI Abrasion Level	3
ANSI Puncture Level	2
