

WG-518W OIL PLUS

WG-518W Oil Plus is a double nitrile fully coated glove, constructed on a 15-gauge nylon liner. Thanks to Wonder Grip Technology™, the coating brings an exceptional grip and strength in dry or wet environments. This double nitrile coating combined with Wonder Grip Technology™ ensures an outstanding protection when the user is working with wet, greasy or oily elements. Double coating technology provides durability and high resistance to abrasion, whilst its unique soft finish offers great dexterity and flexibility with minimal hand fatigue.

KEY FEATURES

- ✓ Ultra-flexible nitrile coating with superior grip on the palm for improved comfort and protection in oily and greasy conditions.
- ✓ Robust yet relatively thin coating, providing improved dexterity and flexibility
- ✓ High grip performance for safe handling in dry-to-oily environments
- ✓ Designed to reproduce the natural shape of the hand, for ease of movement and continuous wear
