

WG-758L DEXCUT®

The WG-758L Dexcute® is developed to answer nowadays demanding and increasingly complex working environments. Our WG-758L integrates a 15-gauge cut-resistant liner into nitrile shell for exceptional dexterity and tactility versus standards of the industry. Chemical and cut-resistant certified, WG-758L features the appropriate protection against chemicals and medium cut hazards. Wonder Grip Technology™ nitrile coating combined with our preformed molds TPDT™ technology (Thermo-set Pre-Curved Design Technology™) make WG-758L the perfect solution for excellent ergonomic performance and unrivalled grip in slippery environments.

KEY FEATURES

- ✓ Ultra-thin and flexible nitrile coating with an optimised fit for the highest level of comfort, chemical protection, and cut level A3/C protection
- ✓ High grip performance, preventing hand fatigue and contributing to safer handling of hazardous goods
- ✓ The long cuff can be folded to prevent chemicals from dripping down the wearer's arms and body
- ✓ Featuring chemical and cut resistance as well as exceptional tactility, thus surpassing industry standards

TYPE OF PROTECTION

- Cut resistance
- Chemical
- Heat resistance
- Liquids
- Industrial oils

APPLICATIONS

- Agriculture
- Oil-and-Gas
- Waste management
